7	Identifies beginning and ending sounds in single words as an intraverbal response
8	Discriminates between pictures and text (by pointing to words & pictures):
a	Pointing
b	Intraverbal Response (Is this a word or picture?)
9	After hearing sounds, vocally blends individual sounds to form target words (component to composite)
a	two sounds
b	three sounds
c	four sounds
10	Vocally produces component sounds after hearing a composite word (segmenting)
E	**READING**
	All repertoires below should be under Generalized Reinforcement (GR)
1	Letter names:
a	Given printed letters, points to the letter when named
b	Given printed letters, produces the name of the letter as a speaker
2	Uses "point to" topography to identify letter sounds:
